Approach A1 Golfwatch Quick Guide

Thanks for buying the Approach A1 golfwatch. This guide explains how to setup the Approach A1 golfwatch.

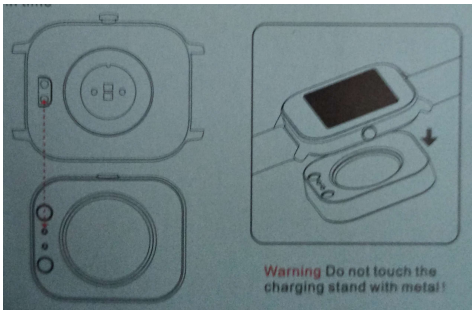

Unpacking

Unlock the on/off/standby button by removing the plastic lid as depicted below

Charging

Align the charging port of the watch with the metal contacts of the charging base.

Getting started

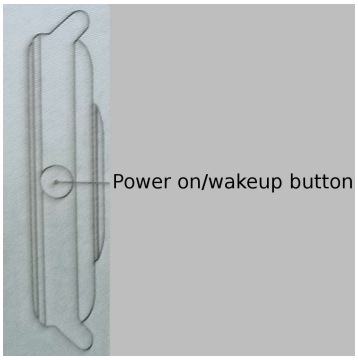

Before you start playing golf, it's a good idea to charge your watch, download the Approach A1 golf companion app for your Android smartphone from this link:

http://www.mobi-it.lovestoblog.com

Or scan the following QR code:

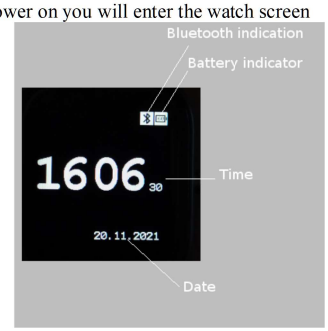

Power on

After charging you can start the golfwatch by activating the "power on/wakeup button"
